INFORME 17-13

Cali, Agosto 1973

CORPORACION AUTONOMA REGIONAL DEL CAUCA
BIBLIOTECA

INFORMACION GENERAL

El objetivo básico de la presente publicación, es el de recopilar todos los datos Climatológicos de las estaciones de propiedad de la CVC, para lograr que los mismos sean de fácil consulta y estén al alcance de los diferentes Departamentos que operan en la Corporación, razón por la cual tanto el tiraje como presentación de la misma no han sido considerados como factores de importancia para este trabajo.-

El tratamiento de los datos de observación se ha efectuado dentro de las normas establecidas internacionalmente para esta clase de eventos Climatológicos. El símbolo  aparece cuando la observación abarca varios días de registro, sin que se conozca el día exacto de ocurrencia del evento, pero sí la magnitud del mismo.-

La relación completa de las estaciones publicadas aparece al principio del trabajo y su ubicación se puede determinar por las coordenadas aproximadas en el mapa adjunto.-
